Caring for Military Families

Are you a parent, spouse, or significant other of a service member or veteran who served after October 2001? We would like to talk to you about your health and well-being.

Purpose: Conduct a longitudinal study requested by Congress to examine military family health care needs. Participate in online surveys from the comfort of your own home.

Benefits: Contribute to knowledge that could improve health care provided to military families.

Time Commitment: About 1 - 2 hours each year for up to 15 years.

Principal Investigator: Dr. Louis French,
National Intrepid Center of Excellence

You may receive payment for your participation.

If you or someone you know may be interested in joining the study, please call: ☎ **855-821-1469**
